Is a Radical Church Possible?

Following the publication of his latest book, Adrian Alker, Chair of PCN Britain, will talk about his vision of a radical church "reshaped for Jesus' sake"

“ ..the greatest resource we have are those thousands of churches across these lands which serve their communities in the name of the One who showed us how to live and how to love”

“I believe that churches can thrive best when honesty about matters of faith and belief is positively encouraged”
